YAESU U.S.A.

CONGRATULATIONS

You have purchased the finest HF transceiver available today.

The FT-990/DC is the perfect blend of electronics and human engineering. It's the best of our best.

In our continuing program of excellence to you, each and every FT-990/DC is inspected in the United States to meet our exacting specifications before shipment to Yaesu's network of authorized dealers. This assures you of quality and reliability.

Performance without compromise. Not just a slogan, but a commitment.
